31	1235636	O-RING OIL SEAL			
32	1235637	SCREW (8MM)			
33	1235638	NUT (M8)			
34	1235639	SOC HD CAP SCR M8 X 10MM			
35	1235640	LOG GUIDING PLATE			
36	1235641	MAIN BODY, <i>INCL.</i> :			

STANDARD SAFETY EQUIPMENT

In order to promote tool safety, Delta International Machinery Corp. strictly enforces the policy of repairing or replacing any damaged or missing standard safety equipment on machines presented to Delta Authorized Service Centers for service/repair. Any product which is presented to a Delta Authorized Service Center for repairs which contains missing or damaged standard safety equipment will have that equipment repaired or replaced and the customer will be charged for any such service/repairs. Customers can avoid such charges only if the missing safety component is supplied to the service center at the time of repair.

This parts list is provided to aid in obtaining service parts. Copies of the instruction and maintenance literature can be obtained through the Delta Technical Publications Department or through your local service outlet.
